Guitar Amp, Bass Amp: No special requests

- *All members sing together. Please ensure all vocals are the same volume.
- *In some songs, the drummer is the main vocal. PLEASE make sure the drummer's vocal is clearly audible to the audience.
- *Please keep reverb on the vocals to a minimum.
- *Adjust volume of guitar and bass to be similar.
- *The drummer uses twin pedals.
- *DBGC will bring bass amp head, cymbals, twin pedals, a snare, and microphones.
